

# Cline Avenue Fellowship Childcare

*Christ-Centered Education and Care*

**Monday, March 23, 2020**

Childcare Family,

I cannot tell you how thankful I am for all of you, in the midst of all the chaos, continuing to allow us to serve you and your family. We have been praying for each and every one of our childcare families as they navigate this new, and at times difficult, season. It is likely you've found yourself, like us, having to adapt in ways you could not imagine or plan for. We are doing everything we can to continue to offer you and your child the best and safest care we possibly can. With that, we wanted to inform you of a couple of things and want to stay in constant communication with you.

First, we will remain open for the foreseeable future, unless the government mandates our closure or we face critical financial circumstances. Thankfully, the government has seen the good and service we have offer to so many families, and have deemed it essential to keep our facility open and available. We have chosen to move our Sunday morning worship gatherings to online only and would love for you to join us online every Sunday at 10:30 a.m. at <https://www.facebook.com/CAFC8600/>.

Second, we want to be completely transparent with you. As not only a small organization, but a non-profit ministry that intentionally focuses on keeping the cost as low as possible to serve families, we have faced extreme financial challenges due to this pandemic. There is a way you can help. If anyone you know would be willing to donate or give a reoccurring gift to help keep our ministry going, please point them to give securely at <https://cline-avenue-fellowship-church.square.site>. We have worked hard with our staff and adjusted hours, which has allowed us to keep our tuition low and the same hours of operation.

Third, as of now, thank the Lord, we have not had any cases of COVID-19 here at our facility with any employee or child, nor in the extended childcare family. However, we need your help in keeping this a reality. **PLEASE** if you or your child are sick, do not come to the facility. We are working hard to keep everything as sanitized as possible, so please help us in these efforts.

In Christ,

Pastor Joe Best, Director Jessica Gluth, and the Elders of CAFC
