SERMON DISCUSSION QUESTIONS

- Over the course of this series, what has been the most encouraging part? Over the course of this series, what has been the most challenging part?
- What does it mean that Jesus Christ is the wisdom of God? How would you explain what wisdom is to someone who asks? How is that different from the world's way of explaining wisdom?
- Have you compartmentalized your relationship with God as something separate from others areas of life? How does the fear of the Lord look in different domains (work, wealth, household, etc.)? Be specific.
- How does wise living attract those who do not believe towards following Jesus? Is your life an example to unbelievers about what God's wisdom looks like in real life? If not, how can we still point others to Jesus?
